

## AFFUSION / VICHY SHOWERS

Affusion shower was designed in Vichy, France as one of the hydrokinetic treatments. Affusion shower treatments are highly relaxing and pampering. They can be used as a separate water treatments or in conjunction with body mud treatments, etc.

Our sophisticated, state - of - the art affusion showers combine superior quality, elegant design and are available in 5 different models and 2 finishes varying from 5 to 14 shower heads/ water injectors with individual flow control buttons and pivot system.

Using advanced control system panel you can easily go from a fine micro massage to a pressurized water massage that stimulates blood circulation.
